How to use this form

Make photocopies of the sheet on page 3 so that you can collect sponsorship from friends and well-wishers. Some charities may invite you to use their own sponsorship forms so that they can reclaim Gift Aid.

On race day, remember to deposit your form at one of the information desks before the start of the race so that we can certify that you completed your run. Collect the certified form from the information desk next to the baggage collection point at the finish.

After you have collected the funds from your supporters send them to your chosen charity(s) enclosing a photocopy of this front sheet. If you are supporting the New Forest Marathon good causes then send the funds to the treasurer at the above address and make cheques payable to the 'New Forest Marathon Limited'

Regardless of the charity please ensure that you send a photocopy of this completed sheet to the race treasurer. If you have raised more than £100 we will send you a certificate to confirming the amount you raised.

The future of these events depends heavily on support from the local community. If we are raising significant sums for charity we are sure of their support. PLEASE LET US KNOW HOW MUCH YOU HAVE RAISED.

I have allocated the funds that I have raised as follows:

Hand this form to the race information desk so that this section can be stamped and then collect it from the information desk next to the bag collection point at the finish.

The New Forest Marathon's Good Causes

The volunteer groups which staff the drinks and sponge stations around the course, marshal, help with baggage and car parking and help us prepare some of the items for the events are all local charities and good causes to whom we give donations. We also have individuals and informal groups who help and raise money for their favoured cause. Without their help our races would not be possible and you certainly would not have such well-organised marshalling and course facilities. To show your appreciation for the work they do, and the encouragement they give you, we would encourage you to donate some of your fund raising to their benefit, or make a modest personal donation to these causes.
